

Library Registration Form for Children

(Ages 0-12 years)

Your Child's Own Card

The Colchester-East Hants Public Library invites you to apply for a borrower's card for your child. There is no minimum age for a child to have a library card. It is your decision as to when you would like your child to have his or her own card.

Having a library card is an important step in your child's reading development.

A library card will:

- give your child a sense of pride
- provide the key to a vast treasure of books and much more
- encourage a lifetime habit of reading and library use
- instill a sense of responsibility and self esteem
